EXPERIENCE

Senior Product Manager — Northwind Software

Mar 2021 - Present

- Own the end-to-end product roadmap for a B2B SaaS platform serving 200+ enterprise customers, prioritizing features based on customer feedback and usage analytics.
- Lead cross-functional collaboration between engineering, design, and sales to ship quarterly releases, improving feature adoption by 34% year-over-year.
- Coordinate a team of 6 engineers and 2 designers through agile sprints, maintaining a consistently predictable delivery cadence.

Product Manager — Lumen Tech

Jun 2017 - Feb 2021

- Managed the product roadmap for a customer engagement tool, gathering and synthesizing customer feedback into prioritized backlog items.
- Coordinated with regional sales teams to align product positioning with customer needs across 3 markets.

Associate Product Manager — Bluepeak Inc

Jan 2015 - May 2017

- Supported senior PMs in writing product requirements and coordinating release schedules across teams.
- Ran weekly stakeholder syncs to track project management milestones and surface blockers early.
